### **MISSION STATEMENT**

HWI Gear, Inc. commits to value-focused innovation in protective apparel. From the design room, to customer service, we strive for continual improvement to be the top of the industry.

### **HOW WE GET THERE**

HWI Gear, Inc. is a small, Veteran owned, family business. Our president, Bill Hatch, has been in the business of bringing cutting edge protective apparel designs to the market for over 30 years. HWI Gear, Inc. has delivered over 2 million pairs of gloves to the US military and has designed state of the art products to meet the evolving demands of the US military for infield protection. We also continue to focus on improving product offerings for law enforcement by investing in new technologies and utilizing end-users for development feedback.

HWI Gear, Inc. has an in-house design and sample building team to help bring our products to the market. We have established an exclusive network of manufacturing to meet any requirement, such as American Made (Berry Compliant) products, TAA compliant products and small-run specialized offerings. HWI Gear, Inc continually invests in being a complete supplier of protective gloves and other protective apparel.

## **WARRANTY**

**HWI Gear, Inc. is dedicated to customer satisfaction and provides this warranty as assurance of a quality product. HWI will provide prompt and courteous attention to your product requirements. HWI warrants its manufactured products, to the original purchaser, to be free from defects in materials and workmanship during normal use and service for a period of 1 year from date of purchase.**

**Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. To obtain warranty service, the original purchaser must contact the dealer where they purchased the manufactured product prior to the end of the 1 year warranty period. It is HWI's sole discretion whether to repair or replace the warranted product.**

### SG100 GEN 2

Sturdy polyethylene (PE) protective shell for blunt-force trauma protection extends from the knee down to the foot

Adjustable strap secures protective piece to shoe

### ED100 - FEATURES:

The Elite Defender Riot Suit (ED100) offers critical protection from blunt-force trauma that doesn't sacrifice fit and comfort. The effective and consistently reliable ED100 Riot Suit is easily deployed and/or removed for riot control, cell extractions or other tactical situations. The Elite Defender Riot Suit's contour molded outer shells feature impact ridges that disperse the brunt of blows, jabs and other projectiles, while foam inner padding cushions the officer's body. Soft brush and mesh line the inside to reduce abrasion and provide longterm comfort. The sturdy PE hard shell protectors are used for covering and shielding most of the body. The Elite Defender Riot Suit was designed to protect your body in the most rigorous tactical situations and has proven to be the premier riot suit in the industry.

# GLOVE SIZING CHARTS

## TO USE A TAPE MEASURE:

Place the tape measure around your knuckles, or the widest part of your hand, making a loose fit. Round your measurements to the nearest inch.

5" (12.7cm)	XXX SMALL
6" (15.2cm)	XX SMALL
7" (17.8cm)	X SMALL
8" (20cm)	SMALL
9" (23cm)	MEDIUM
10" (25cm)	LARGE
11" (28cm)	X LARGE
12" (30.5cm)	XX LARGE
13" (33cm)	XXX LARGE

No two hands are the same. No method can be as accurate as trying on our gloves. Use one of the two methods above to find your approximate glove size. This is a general guide only.
